Meeting #13

August 26, 2022

The following reflects the proceedings from the thirteenth (13th) meeting held of the Software Transparency Foundation on August 26th , 2022 at 9am (CET).

The meeting was called to order by Mr. Julian Coccia and was held via video conference.

ATTENDEES:

The following attendees participated in the meeting:

Mr. Alberto Gomez

Mr. Julian Coccia

The following attendees, representing sponsors and guests, participated in the meeting:

Mr. Alec Zheng (Huawei)

Mr. King Gao (Huawei)

Mr. Alejandro Perez (SCANOSS)

AGENDA ITEMS:

1. Opening comments
Mr. Coccia thanked everyone for participating, and opened the meeting announcing that Mr. Lancho Rodriguez delegated the coordination of the meeting. Due to the vacation schedule, attendance was expected to be low.

2. Sponsorship program
Mr. Gomez commented that ongoing dialog with universities is paused due to the summer vacation.

3. Project Office Updates
Mr. Coccia presented updates from the project office. A distribution list has been put together and has been confirmed to work by all members. The OSSKB usage report has been distributed and gives a good picture of utilization. Need for a stronger QoS solution for the API becomes evident.

Mr. Zheng presented diagrams for the QoS solution for the API and was very well received by all present members. Mr. Zheng will coordinate with Mr. Alejandro Perez to deploy a test instance.

Work continues to bring the first OSSKB mirror in Hong Kong, which will improve service quality for APAC users.

TheEye announced the development of a prototype integrating with the OSSKB will be shared in the upcoming days.

4. Marketing and events
Part of the staff will be present in the upcoming Open Source Summit in Dublin, and the EclipseCon 2022 in Ludwigsburg, Germany.

5. Closing comments
Mr. Coccia closed the meeting and scheduled the next meeting for September 28th at 9am (CET).
