

Meeting #14

September 28, 2022

The following reflects the proceedings from the fourteenth (14th) meeting held of the Software Transparency Foundation on September 28th , 2022 at 9am (CET).

The meeting was called to order by Mr. José María Lancho and was held via video conference.

ATTENDEES:

The following attendees participated in the meeting:

Mr. José María Lancho Rodríguez

Mr. Alberto Gomez

Mr. Julian Coccia

The following attendees, representing sponsors and guests, participated in the meeting:

Mrs. Daniela Rosso (TheEye)

Mr. Fernando García (Fg-tec)

Mr. Alejandro Perez (SCANOSS)

AGENDA ITEMS:

1. Opening comments

Mr. Lancho Rodríguez thanked everyone for participating and opened the meeting. Mr. Lancho Rodríguez commented on increasing interest in Europe towards copyright infringement questions for content generated with artificial intelligence. This applies to images and source code. The latter can be validated by using the OSSKB service provided by the foundation.

2. Sponsorship program

Mr. Gomez detected the need for application translated to Spanish due to increasing interest from Universities in Latin America.

Dialog is ongoing with cloud providers to join the Foundation.

3. Project Office Updates

Mr. Coccia presented updates from the project office. The OSSKB usage report shows a drastic increase in demand from North America in the last month.

TheEye presented the CI pipeline integration with the OSSKB API. The contribution has been made in Github and provides a simple integration for most CI/CD pipelines for continuous Open Source license compliance. The project is entirely released as Open Source.

Mr. Zheng presented diagrams for the QoS solution for the API and was very well received by all present members. Mr. Zheng will coordinate with Mr. Alejandro Perez to deploy a test instance.

5. Closing comments

Mr. Lancho Rodriguez closed the meeting and scheduled the next meeting for October 28th at 9am (CET).
