

Meeting #21

April 28th, 2023

The following reflects the proceedings from the twentieth (21st) meeting held of the Software Transparency Foundation on April 28th, 2023 at 9am (CET).

The meeting was called to order by Mr. José María Lancho and was held via video conference.

ATTENDEES:

The following attendees participated in the meeting:

Mr. José María Lancho Rodriguez

Mr. Julian Coccia

The following attendees, representing sponsors and guests, participated in the meeting:

Mr. Esteban Cervi (Neolo)

Mr. Fernando Garcia (Fg-tec)

Mr. Alberto Gomez (SCANOSS)

AGENDA ITEMS:

1. Opening comments

Mr. Lancho Rodriguez thanked everyone for participating and opened the meeting.

2. Open a position for the Head of Academic Program.

Following with the objective to increase and motivate more Universities to participate in the Software Transparency Foundation all around the world, this committee is working on the development of a score card to define Scope of Work, Academic performance, and define a profile of a firm determined and dedicated Head of Academic Program for this very important part of our future development.

3. Project Office Updates

There are a few leads from the email campaign launched toward research units in universities. More info to come.

The European cybersecurity act continues to move forward and the STF can clearly contribute to the cause with the OSSKB service.

4. Closing comments

Mr. Lancho Rodriguez closed the meeting and scheduled the next meeting for May 26th, 2023 at 9am (CET).
