The following reflects the proceedings from the twentieth (22nd) meeting held of the Software Transparency Foundation on May 26th, 2023 at 9am (CET).

The meeting was called to order by Mr. José María Lancho and was held via video conference.

ATTENDEES:

The following attendees participated in the meeting:

Mr. José María Lancho Rodriguez
Mr. Julian Coccia

The following attendees, representing sponsors and guests, participated in the meeting:

Dr. Oscar Enrique Goñi
Mr. Esteban Cervi (Neolo)
Mr. Fernando Garcia (Fg-tec)
Mr. Alberto Gomez (SCANOSS)

AGENDA ITEMS:

1. Opening comments

Mr. Lancho Rodriguez thanked everyone for participating and opened the meeting.

2. Dr. Oscar Goñi is appointed as Head of Academic Program for the Software Transparency Foundation.

Dr. Oscar Goñi is professor and researcher at Universidad Nacional del Centro de la Provincia de Buenos Aires, Argentina and assistant instructor of courses Computer Architectures, Logic Design, and main instructor of under and post degree courses. Dr Goñii has a Phd in Informatic Sciences obtained at Universidad Nacional de La Plata, Argentina in 2015.
Dr Goñi has a deep experience in the following fields, in investigations: Hardware functional verification, Embedded software development, High Performance Computing and IoT

deployment. In the professional arena in the following topics: Data mining and backend development. He has led several projects in the area of Embedded software, gaining a great respect from his colleagues in Argentina and Intentionally.

The appointing of Dr Goñii is an outstanding success for the STF getting a high qualified expert on High Performance computing and Deep data mining.

Dr Goñi will start working on the Head Academic Program form 01/06/2023.

3. Project Office Updates

There are a few leads from the email campaign launched toward research units in universities. More info to come.

The European cybersecurity act continues to move forward and the STF can clearly contribute to the cause with the OSSKB service.

4. Closing comments

Mr. Lancho Rodriguez closed the meeting and scheduled the next meeting for June 30th, 2023 at 9am (CET).
